Welcome to 2010 and Beyond

### **Impact the future of parks and recreation in your community**

In 2009, you helped chart the future of parks and recreation in Prince George's County. We now have a set of recommendations on how we can adjust our current service delivery model to maintain organizational sustainability to and through 2040. These are contained in the **2040 Vision and Framework Plan** (see "click here" below).

During 2010 we will share the plan throughout the County and promote awareness of the recommendations. We will also conduct a year-long community outreach campaign, so plan to attend community meetings across Prince George's County to:

1. Learn more about what residents in every neighborhood value most in current facilities and services
2. Inform your neighbors and other residents on 2010 and Beyond recommendations
3. Obtain suggestions on how to improve the recommendations, and
4. Build community support.

Our objective is to have wide-ranging support from all areas of Prince George's County when a final plan is presented for adoption.

Your continued support and participation are still very much needed. Please contact me directly at 301-864-6957 or e-mail [john.henderson@pgparks.com](mailto:john.henderson@pgparks.com) if you would like to become a *2010 and Beyond* ambassador to help promote understanding and support of this plan. Also, let me know if there is a community meeting or event we should attend.

Best Wishes! - for a safe and prosperous summer- on behalf of the entire *Parks & Recreation: 2010 and Beyond* team.

John Henderson, Project Manager

### **What is 2010 and Beyond?**

*Parks & Recreation: 2010 and Beyond* is a community needs assessment project that is focused on parks and recreation. Help us identify needs for recreation programs, parks, trails, and open space needs--now, and for the future in Prince George's County.

*2010 and Beyond* is part of a larger Envision Prince George's initiative that is engaging a broad cross-section of County stakeholders in a collaborative process to develop a shared vision for the County's future economy and growth. [www.envisionprincegeorges.org](http://www.envisionprincegeorges.org)

### **How Can I Participate?**

We want to know about issues that should be addressed in the planning process for future parks, facilities and recreation programs. Everyone is encouraged to participate - together, we can improve the quality of life in our community for years to come. Call John Henderson at 301-864-6957 or e-mail [john.henderson@pgparks.com](mailto:john.henderson@pgparks.com) to learn more about opportunities to participate. **To see what the youth of Prince George's County think of the county's Parks and Recreation programs and facilities, click on <http://www.youtube.com/watch?v=J2NzRIgn2x8>**

### **What's New?**

**Click here to View a summary of draft 2040 Vision and Framework recommendations or download the full text of the draft 2040 Vision and Framework report (policy recommendations on the future of parks and recreation in Prince George's County). The full text of the 2010 and Beyond Needs and Resources Assessment is also posted for**
